Provision

Strategic Grants is responsible for all maintenance and support services regarding GEM Local.

Permitted Uses and Disclosure

The User Organisation agrees:

- to use the grant records data set, solely for the purpose of conducting research into grants and the making of grant applications for the specific User Organisation registered within GEM Local
- to use appropriate administrative, physical and technical safeguards to prevent the use or disclosure of the grants data set, other than as provided for by this User Agreement
- to use appropriate administrative, physical and technical safeguards to prevent access to GEM Local beyond any person who is not associated with the User Organisation
- not to present or publish information contained in the grants data set beyond the registered User Organisation
- not to release the grants data set or any sub set of the data to any third party without express permission from Strategic Grants
- not to attempt to link the data set to any other datasets from any source without express permission from Strategic Grants
- not to use the grants data to apply for grants for any other organisation outside of the User Organisation that is registered to GEM Local
- to inform Strategic Grants of any known or suspected breach of privacy arising from the use of the grants data set

Availability

GEM Local is not a guaranteed service. We endeavour to provide for a 7 day, 24 hour uptime on this service, however the service may be affected by a range of factors including technical problems, telecommunications issues and availability of staff outside usual office operating hours.

In order to access GEM Local you must ensure that your contact details have been correctly registered, your computer or other internet accessible web browsing device is switched on and that you are located within a coverage area of your internet service provider.

Confidentiality and Intellectual Property

It is explicitly agreed that Strategic Grants will preserve the confidentiality of any information relating to the User Organisation, which comes into its possession or knowledge through use of GEM Local unless it is generally in the public domain. Strategic Grants will not divulge this information without written authority except as required by law.

Strategic Grants may collect anonymous success rate and other data relating to User Organisation in order to carry out benchmarking for business development purposes during the period of this agreement. Any data used publicly will be de-identified and used anonymously unless the User Organisation gives written permission stating otherwise.

Ethics

Strategic Grants is an Organisational Member of the Fundraising Institute of Australia (FIA) and abides by the FIA's Professional Code of Conduct and Ethics. If ever the User Organisation is not happy with the quality of work provided by Strategic Grants, you are encouraged to discuss this with the Strategic Grants Director so the issue can be resolved speedily and with a positive outcome.
